

As an essential services provider that remains open to serve customers who rely on us to get employees to and from work, we want to ensure our ongoing commitment to the well-being of our riders.

CONTROL YOUR COMMUTE

Van family: Riding with the same commuters day after day (your “van family”) provides a level of assurance and accountability to one another

Your ride; your rules: It’s your commute; you and your fellow passengers can set the rules, sharing driving, cleaning and maintenance responsibilities

Limited exposure: With limited capacity, vanpools inherently minimize exposure to others when compared to larger and more populated commuting options

COMPLETE CLEAN PLEDGE

We’re providing a **COMPLETE CLEAN starter kit** to every new Commuter vehicle. It includes:

- Spray bottle and disinfectant pods
- Box of disposable gloves
- Box of disposable masks
- Roll of paper towels
- Cleaning checklist with guidelines from health authorities

We’re also encouraging riders to pledge to clean their vehicles daily to **help protect their van families**.
